The Council discussed what Library programs/outreach they would like to have more information about to better enable them to voice for the library in the community. The Council agreed on the following topics for the year:

- Staff Innovation Grants presentation
- Technical Services, Collections, SPLASH, Link+ presentation
- Strategic Plan presentation
- Information Technology presentation

- c. Discuss meeting locations for 2023

The Council selected the Vacaville Town Square and Vallejo John F. Kennedy libraries as meeting locations in May and July.

## 11. ANNOUNCEMENTS/MEMBER REPORTS

Mr. Dove shared JFK Library had a fire. Ms. Olawski stated it started outside on the Georgia St. side and came up the building and through a window. It was a 2-alarm fire. Everyone in the building -staff and

customers- evacuated safely and there were no injuries. There was significant water damage to the teen section of the library, including to two computer monitors, carpet, and the teen fiction section (about 1,200 volumes were lost, totaling approximately \$18,000). The City of Vallejo and County Library are still assessing damage in the teen section. The area is not assessable at this time; however, staff may assist customers needing items from the section.

Ms. Cobb shared the Tau Upsilon Omega chapter of Alpha Kappa Alpha Sorority would like to be considered as a partner for the library's summer food program. They would like to provide backpacks that can be used for the food distribution. Lynette Henley is the contact person. Ms. Cobb will email information to Ms. Olawski.

Ms. Schenk shared the Friends of the Vacaville Libraries will hold their book sale this week at the Vacaville Cultural Center Library.

## **OPERATIONS**

### Facilities

Dixon Library: The southeast basement interior wall will be sealed, and concrete work will be done on the exterior to stop water leaking into the basement during heavy rains. A roofing company is inspecting a minor leak in the southwest corner of the Miller building. The main library roof will be resealed during the summer.

Fairfield Cordelia Library: A lighting consultant is reviewing the interior lighting to provide recommendations to make the lighting more maintainable, energy efficient, cost efficient, simple, and relevant to the current space requirements. The lighting is over 15 years old and parts for some elements are no longer manufactured. The consultant is the same lighting design firm that designed the original lights.

Fairfield Civic Center Library: The roof requires replacing as it is 20 years old and no longer is under warranty. It will cost \$835,000 and has been included in the FY2023/24 requested budget. The facility's chiller needs to be replaced; the County's general services team is exploring options. The adult literacy program office expansion project will go out to bid this spring. Next steps as part of the ENGIE energy project include lighting upgrades, installation of electric charging stations, solar battery backup generator, and a new energy management system. The ADA parking spots and sidewalk at the library entrance will need to be redone to bring it up to current code; the work is anticipated to be done late summer. The parking lot will be patched, resealed, and restriped this spring.

Vacaville Town Square Library: The HVAC replacement includes nine (9) package units and two (2) split systems (vestibule and meeting room) by Carrier. The cost is included in the FY23 Vacaville Unified School District Library District budget. Installation is expected late fall as there is a 38-week lead time for equipment.

Equipment: New people counters will be installed at each of the library branches. The new people counters will be mounted on the ceiling near each entrance and will use 3D imaging for more accurate counts. Along with more accurate people counts (that can, for example, tell the difference between an adult and a child), we will also get information on traffic patterns, which would show us our busiest days/times. Many libraries are using these sensors to get more accurate counts than security gates can give. Even those these sensors use cameras for counting, they do not record video.

## **COLLECTIONS, RESOURCES & SERVICES**

### Technology

- Update on Polaris: The new integrated library system (database) has been live for two months. There were some minor complications with connecting our database to other resources, like our electronic resources, the book locker, and our library hardware – but these issues are now resolved. Currently, we are at the point in the process where we are refining settings and exploring ways to enhance the user experience. Overall, customers and staff seem to have adjusted well and are happy with the change to a more modern and feature-rich database.

**Report of the Director of Library Services  
to the Solano County Library Advisory Council  
March 2023**

---

### Resources

- **New Devices for Lending:** The Library will be receiving \$500,000 of ARPA funds from Solano County to dedicate towards buying additional mobile hotspots and other devices that expand access to the internet. With these funds, the Library will be acquiring 300 5G hotspots; 25 Chromebooks (with built-in hotspots); 1 mobile router for the Library's forthcoming outreach van, which will allow up to 128 separate connections; and 250 tablets (with built-in hotspots). The tablets will be used in two ways: 1) loaded with literacy resources to be lent out to learners waiting for a tutor and 2) loaded with children's resources, including the newly expanded ABC Mouse, to be lent out to Solano County Library card holders.

### Collections

- **Acquisitions of Materials:** After our move to the new integrated library system (Polaris), the Library's ordering mechanisms needed to be rebuilt from the ground up, which could not be done ahead of time. As a result, normal ordering practices had to pause in December until the rebuild was complete. The book vendor we have consistently used in the past is undergoing staffing shortages and workflow issues and isn't able to dedicate the time or energy to help us rebuild our ordering mechanisms in a timely manner. As a result, the Library is working with two new vendors for acquisitions of materials: CPI, Inc for children's materials and Brodart for materials for adults. We have begun ordering with these new vendors and should see large amounts of books arriving in the next few weeks. During the interim, library staff have been purchasing materials through Amazon so that high-hold items are still being offered to our patrons.
- **New Electronic Resources:** Library customers may now enjoy expanded access for two of our current electronic resources -**New York Times** and **ABC Mouse**- and exploring learning and socializing online through "**GetSetUp**."

Customers have been able to enjoy **The New York Times** through California State Library funding, however the access was limited to just the News module. As of March 2023, customers may now also access **NY Times Cooking, Games, and Athletic** (sports). There is a slight difference in the access for these new features. Unlike the News module which offers 72-hour access, these additional modules offer 24-hour access – meaning that customers will have to log back in every 24 hours.

The Library currently offers onsite access for **ABC Mouse** but come April, we are expanding this offering for offsite use as well. *ABC Mouse* is an educational app for children that has interactive games, puzzles, eBooks, and other learning activities.

We have teamed up with **GetSetUp** to provide hundreds of live online classes to keep you mentally, physically and socially active. Classes are interactive, easy to join, offered day and night and free for our community. This program is targeted to older adults but open to anyone. This resource is supported by funding provided by the State of California, administered by the California State Library.

**Report of the Director of Library Services  
to the Solano County Library Advisory Council  
March 2023**

- Homework Help: Every internet connected Californian is now able to access live, 24/7 online tutoring and homework help in all K-12 subjects. All California public libraries are able to offer Brainfuse’s online tutoring and homework assistance service, [HelpNow](#), to their users for two years at no cost. Every California student, with or without a library card, has access to 24/7 online tutoring in core K-12 subjects. Spanish language tutors will be available as well as tutors fluent in Mandarin, Cantonese, Vietnamese, and Tagalog. During the month of February 2023, 841 sessions were logged.
- Circulation (Check-outs): The following chart shows circulation is climbing back to pre-pandemic levels for our physical circulation. Interestingly, and perhaps predictably, our digital circs have steadily increased over the last three years – nearly doubling what they were before the pandemic.

**PARTNERSHIPS**

Solano County Health and Social Services UPDATE

Since August 2022, the Library has partnered with Solano County Health and Social Services Department’s Public Health - Nutrition Services Bureau: Women, Infant, and Children Supplemental Nutrition Program (WIC). The Library assists with the WIC Program’s early learning initiative by issuing book bundles provided by WIC to eligible clients (parents/caregivers and children up to age 5), offering enrollment in an early literacy program and offering library cards. The participating library sites are closest in proximity to a WIC office.

## PROGRAMS

### Book to Action 2023

The 2023 Book to Action theme is *Stop Asian Hate*. Author Kelly Yang's book "New From Here" will be used as a springboard for a series of programs that will encourage the whole community to learn more about Asian American and Pacific Islander (AAPI) cultures, celebrate diversity, and discuss the varied experiences and challenges of AAPI groups. The NYT bestselling book is a story "...about courage, hope, and resilience that follows an Asian American boy fighting to keep his family together and stand up to racism during the initial outbreak of the coronavirus." Staff will be working with the schools to distribute books to teachers and librarians who chose to participate in the program. Solano County Library received a \$6,000 California State Library (LSTA) grant to fund this program.

An author event with Kelly Yang is scheduled for Saturday, May 20 at 2 p.m. at the Ulatis Community Center in Vacaville.

### Asian American and Pacific Islander (AAPI) Heritage Month Art Contest

From March 20 to April 20, 2023, all K-12 Solano County students are invited to submit original artwork reflecting significant people, places, or moments in Asian American and Pacific Islander history and/or culture. Artwork will be displayed on the Library's website and at all branch locations in May to honor AAPI Heritage Month.

Prizes (\$25 gift card) will be awarded for first place, second place, and third place for each of the following categories:

- lower elementary school (K-2),
- higher elementary school (3-5),
- middle school (6-8), and
- high school (9-12)

Who can submit: Solano County residents. Only one entry per student is allowed.

**Report of the Director of Library Services  
to the Solano County Library Advisory Council  
March 2023**

---

What to submit:	Original artwork that illustrates significant people, places, or moments in Asian American and Pacific Islander history and/or culture. Artwork must be drawings, paintings, or digital art.
Permission:	Parents or another adult guardian must be OK with the submission and agree with the use of the artwork as described on this page.
Theme:	Artwork will be judged on creativity and most importantly, the artwork should reflect significant people, places, or moments in Asian American and Pacific Islander history and/or culture.

Deadline to submit is Saturday, April 22, 2023 5pm. Winners will be announced in early May.

#### El día de los niños/El día de los libros (Children’s Day/Book Day)

Solano County Library is the recipient of a \$20,000 California State Library (LSTA) grant to fund local cultural groups or programs in a celebration of children, families, and reading that culminates yearly on April 30. The celebration emphasizes the importance of literacy for children of all linguistic and cultural backgrounds. Día is a nationally recognized initiative that emphasizes the importance of literacy for all children from all backgrounds.

An author-talk and book signing with Matt de la Peña -a Newbery Medal–winning and New York Times bestselling author- is scheduled for Saturday, April 29: 10:00 A.M. in Vallejo at the Empress Theater and 3:00 P.M. in Vacaville at the Ulatis Community Center.

#### Solano Reads 2023 (January-December)

The annual Solano Reads Year-Long Reading Challenge is open to all ages and runs from January through December. The goal is to broaden reading horizons. Participants are challenged to read 20 books from 50 categories (reading prompts and are automatically entered into a monthly drawing for gift cards, generously supported by the Solano County Library Foundation. As of February, 702 readers are registered.

#### Partnered Reading Programs

- Raising Cane’s: Year-round reading challenge for 12 and under. Read 7 books and get a free kids combo meal.
- In-N-Out: March 4 - April 15- children ages 4-12 read 5 books and earn a free hamburger from In-N-Out. Children can earn up to 3 hamburgers during the program.
- Reading at the Barbershop: Reading at the Barbershop helps boys learn to enjoy reading so that they can read to learn. Every participating barbershop has age-appropriate reading materials. The program was featured recently on CBS Sacramento: <https://www.cbsnews.com/sacramento/news/reading-boys-literacy-barber-shop/>.
