Tom Baxley

July 2, 2022

I have lived in Northern California my entire life. Whenever I moved, one of the first things I always did was to join the local library. I strongly believe libraries are the cultural touchstone and heart of the community. The more vibrant a library, the more vibrant the community. Of special importance is the impact libraries have on student development and education. I believe my current and past board and community experience will add value to Vacaville's Library Commission.

Sincerely,

A handwritten signature in black ink that reads "Tom Baxley". The signature is written in a cursive style with a large, sweeping flourish at the end.

I love the Ulatis library. My wife and I have been visiting it weekly since it opened; it is our second home. I love to read and learn. For me, the library is the center of education and learning in Vacaville.

I have over 30 years of experience in the insurance industry with buildings and construction and I could contribute my expertise to the library remodeling.

I would be honored to be on the Library Committee to plan for the library's future.

Hello my name is Sam Hendershot and I am applying for the open position on the Vacaville Library Commission. I am 36 years old going on 37 and have been a resident of Vacaville for most of my life. I am the President of the Friends of the Vacaville Library and have held that position for a little over 8 months but was the Vice President for around 3 years. I am applying to this position because I would like to advocate for all the library patrons who use the libraries so that they have the same experiences if not better then I did as a kid growing up here in Vacaville. I would also like to advocate for the Friends of the Library so that we may get a lasting book store space so we may raise more funds to help the library programs more.

THANK YOU FOR YOYR CONSIDERATION.

I can be reached at my cell phone

July 9, 2022.

I am interested in filling the position of Vacaville Library Commissioner. I have grown up in Vacaville and attended Vacaville schools all through my elementary and secondary years, graduating from Vacaville High School in 2001. I have two children attending school in the Vacaville Unified School District. Serving in an advisory capacity to the Vacaville Library Board and the Director of Library Services helps keep me involved in my children's education. I am a self-professed 'book-worm' and would love to extend my appreciation for reading and for everything the library does for our community by serving in this position.
