OPERATIONS

COVID-19: Operational Impacts Update

The California Department of Public Health (CDPH) issued new face mask use guidance, some of which went into effect on March 1, 2022, the remainder of which went into effect on March 11, 2022. Overall, the new guidelines relax face masking requirements but still urge caution in indoor spaces:

- Effective March 1, 2022, the requirement that unvaccinated individuals mask in indoor public settings changed to a strong recommendation that all persons, regardless of vaccine status, continue indoor masking.
- Effective March 12, 2022, the universal masking requirement for K-12 and childcare settings terminated, although CDPH strongly recommends that individuals in these settings continue to mask.
- Universal masking shall remain required in specified high-risk settings, consistent with CDC recommendations: public transit, stations, terminals, and airports; healthcare; emergency shelters; jails/prisons; homeless shelters; and long-term care.
- CDPH is maintaining the requirement that any individual who wants to wear a mask may do so if they desire.

Employers are still subject to the Cal/OSHA COVID-19 Emergency Temporary Standards, and the County still has PPE available and safety practices in place for staff. Supplemental Paid Sick Leave (SPSL), approved by Governor Newsom (SB114), is available to staff through September 30, 2022 for when an employee is unable to work for reasons related to COVID-19. All library locations are fully accessible without restriction and indoor programs have resumed at all locations.

Strategic Planning

Strategic planning efforts are underway. Staff have met with 22 community groups throughout the county and the Library has contracted with a communications firm to conduct 600 phone surveys with the option to conduct the survey in Spanish. An online survey is being translated into Spanish and will be posted soon and likely run for four (4) weeks. Town hall meetings and key stakeholder interviews are being planned and will occur over the next several months. We are hoping to complete the engagement process by the end of summer and the plan drafted by the end of the of calendar year.

COLLECTIONS, RESOURCES & SERVICES

Social Justice Book Kits

Staff created Social Justice Book Kits, which are intended to spark conversations around current social justice movements. Library staff have selected books, films, and other resources to inspire deeper learning for individuals, families, and the greater community. There are eight (8) adult/teen kits and five (5) children's kits, inclusive of such topics as disability rights, immigration, race equity, Native American rights, and Black Lives Matter. More information can be located on the Library's Equity, Diversity, and Inclusion web page (https://solanolibrary.com/services/scl-edi/). The page also includes resources and materials that library users have access to with their Solano County Library card, such as Words for Change, "I See Me" booklists for children and their caregivers and Solano Stories.

Chromebooks and WiFi Kits

To-go kits consisting of a Chromebook and WiFi hotspot will be available to check-out this spring. While the Library has been circulating hotspots since 2020, we are now pairing some with Chromebooks for checkout. Currently

Chromebooks may be checked out for in-library use only. 50 kits will be available for circulation. WiFi hotspots circulated 1,152 times in FY2020/21 and 997 times to date in FY 2021/22.

2022 Summer Reading Program: Go Anywhere from Here (June 1 - July 31)

Participants will receive a passport filled with challenges and choose their own goals (the number of challenges they want to complete). Each time they complete a challenge, they'll get their passport stamped. Most challenges are reading related but also include ventures like go for a hike or write a poem. When participants complete their goal, they will receive a book prize. Kids will have preselected book prizes to choose from. Teens will get to order book prizes under \$10 from Amazon. Adults will receive an enamel pin. There will be weekly drawings for Jelly Belly prizes, ferry passes, and gift certificates donated by the Solano Town Center. Every participant will receive a reading bag when they sign up. Prize books are funded by a generous donation from the Solano County Library Foundation.

2022 Book to Action: Groundbreaking Women (March – June)

The Library is developing a series of programs around Stacey Lee's historical fiction "The Downstairs Girl," a story about an inspirational young Chinese-American woman who challenges racial and gender issues during the Gilded Age. A companion novel by Kelly Yang, "Front Desk," has been selected for younger readers. "Front Desk" is a powerful tale loosely based on the author's experience as an immigrant growing up in America. Both authors are from the Bay Area. Programming will include stories and accomplishments of local women of color and celebrate multiculturalism to promote a sense of community for teens and adults and reflect the diversity within our county. Book groups, school outreach, food programs and an author event are being planned.

PARTNERSHIPS

Solano County Parks

The Library is partnering with the Solano County Parks department to promote outdoor learning and (re)introduce individuals and families to the many wonderful parks and outdoor recreation facilities in Solano County. The Library will be lending (40) themed backpacks to explore local trails and parks. Backpacks include:

- California Hiking with Kids: 50 Hiking Adventures for Families (book)
- California Nature Set: Field Guides to Wildlife, Birds, Trees & Wildflowers of California
- 52 Weekend Adventures in Northern California: My Favorite Outdoor Getaways (book)
- Binoculars
- Magnifying Glass
- Bay Area Ridge Trail in Solano County (pamphlet)
- Explore the Carquinez Strait Scenic Loop Trail (pamphlet)
- Solano County Parks (pamphlet)
- Solano County Outdoor Guide (booklet)

Solano County Parks staff, including rangers and docents, will host public presentations, lead walks and other outdoor activities, and provide print materials at low or no cost. The Library already works closely with the Solano Land Trust and city parks and recreation agencies, attending outreach events and providing storytimes and storywalks in support of outdoor learning.

California State Parks/State Library: Outdoor Access for All

Through this initiative, California State Park parking/day-use hangtags will be distributed to public libraries throughout California for check-out by library patrons. Passes will provide free day use admission to select state parks. This program is expected to launch in April 2022. The intent is to encourage quality time in nature -which is good for one's body, mind and heart- and leverage California's great outdoors.

Solano County Library Foundation

The Library Foundation will be holding a fundraiser event in June in celebration of Juneteenth: *Migrating and Moving Forward* inspired by the book *The Warmth of Other Suns: The Epic Story of America's* Great Migration by Pulitzer Prize winning author Isabel Wilkerson. The event will be held June 25th at the Hilton Garden Inn in FF and feature (former SF mayor) Willie Brown as keynote speaker and an art exhibit inspired by the Great Migration by artist Bruce Graves. The Library will be hosting a youth art contest based on the theme: "What Does Freedom Mean to You" and the judges will include Library staff, the Fairfield Suisun Visual Arts Association, and a Foundation member.

First 5 Solano

The book locker for 24/7 contactless holds pick-up located at the First 5 Solano Center in Vallejo is "live," effective March 14, 2022. The book locker allows library users the flexibility to pick up holds any time of day or night, like an Amazon drop box. The book locker was funded through a grant from the California State Library. A library card is needed to use place and retrieve materials. There have been no holds placed yet.

PROJECTS

Integrated Library System (ILS) Update

The SPLASH libraries (Solano, Benicia, and St. Helena) have selected Polaris/Innovative Interfaces as the SPLASH libraries Integrated Library System (ILS) and have completed contract negotiations with the vendor. Once the contract is approved, there will be about a six-month migration process with no disruptions to the catalog. The intent is to launch the Polaris ILS to users in October or November.

Security Cameras

The Video Security Policy and vendor contract with Honeywell for camera installation has been approved by the Board of Supervisors. Cameras will be placed inside library lobbies capturing customer ingress/egress images. The Library will work with the vendor on a project timeline but anticipates some project delays due to lingering supply chain issues.

Wifi Upgrade

All access points have been installed and we are waiting on the switches needed to complete the project, which have been delayed several times due to supply chain issues. The vendor remains hopeful the switches will arrive in May or June.

Public Computer Upgrade

All computer components for the public access computers upgrade have arrived and Library IT intends to deploy the first computers at the Fairfield Civic Center Library in late April and then move onto the remaining branches.

FACILITIES

Adult Literacy Program Office Expansion (Fairfield Civic Center Library)

The project combines the current office space with the former computer center, expanding the space to allow for a private student intake room, a small conference room for staff and learner groups, a gathering area for literacy families and expanded space for the Reach Out and Read program.

The design firm is at 95% design development, which means that all details are added to the plan, such as materials and finishes, lighting and technology designs, and furniture and equipment layout. Construction documents are developed next and once completed, we go out to bid. Once a firm is selected, the contract goes to the Board of Supervisors for approval before construction begins, which we hope will be early summer. The project is expected to be completed by early 2023.

ENGIE Energy Project (Fairfield Civic Center Library)

Planning and design work are underway with the following projected timeline: April: lighting retrofit at 1150 Kentucky Street; May-June: ceremonial project "groundbreaking" and lighting retrofit at 601 Kentucky Street; late summer: solar canopies (FCC public parking area), microgrid, and four (4) electric charging stations; 2023: natural gas generator with solar battery back-up.

Vacaville Cultural Center Library Expansion

The design team is soliciting public input to help inform the development of physical spaces needs at the branch through visioning boards and a survey which will run through April 2, 2022. Staff meetings and a community engagement meeting will be held in April. The community meeting will be held on Tuesday, April 5 at 5:00pm at the Vacaville Cultural Center Library. The priorities for this project are to address infrastructure needs (new HVAC), build a meeting room addition, and refresh interior spaces.

Vallejo John F. Kennedy Library

All vandalized windows have been replaced as of the week of March 7, 2022.
