Librarian's Report to the Vacaville Library Commission Vacaville Public Library-Cultural Center September 2023

Greetings, Commissioners:

It was a very busy and successful summer at the Cultural Center Library! We had 1,197 participants in the Summer Reading Challenge and handed out nearly 800 book prizes to kids and teens. The turnout for performers and summer activities was much higher than last year. Some of the highlights include Messy Art Day (213 kids) and Solar Science (173). These were outdoor activities that involved a lot of staff, but the kids and families had a blast!

As we head into the fall, we have two major goals in preparation for the Remodel/Expansion: prepare the collection for storage/relocation and build partnerships with other organizations. We have a goal of eliminating around 15% of the collection, which is not as steep as it sounds. Most of it will be coming out of the adult non-fiction collection and will be primarily removed because of low demand, too many duplicate copies, or being outdated. Very little "in demand" materials will be cut.

Secondly, staff are looking to build relationships with other agencies and organizations this year so that we can lean on those partnerships while we are closed in 2024/25. For example, our adult services staff are contacting/visiting every retirement apartment and community in Vacaville, in the hopes of setting up routine visits to their facilities, be it to assist with digital resources or even to bring library materials directly to the residents.

Events to Highlight:

Our Storytime line-up consists of *Preschool Storytime* at 10am on Tuesdays and Wednesdays; *Baby Storytime* at 10am on Thursdays; and then *Toddler Storytimes* at 10 on Fridays.

Teen Game Night is the last Friday of every month (9/29 in September). This event has developed a dedicated following of 20+ teens. David and Kevin are working towards expanding this program into more than just video games, as many of the teens have expressed interest in some other ideas to go with it.

Master Gardeners of Solano County (every third Thursday at 6pm). Stop by the evening of the 21st to learn about Bulbs—how to grow them, maintain them, and identify them!

DAYS HAVE A DESCRIPTION

July 2, 2022

I have lived in Northern California my entire life. Whenever I moved, one of the first things I always did was to join the local library. I strongly believe libraries are the cultural touchstone and heart of the community. The more vibrant a library, the more vibrant the community. Of special importance is the impact libraries have on student development and education. I believe my current and past board and community experience will add value to Vacaville's Library Commission.

Sincerely,

Am. Bully Tom Baxley

I am interested in filling the position of Vacaville Library Commissioner. I have grown up in Vacaville and attended Vacaville schools all through my elementary and secondary years, graduating from Vacaville High School in 2001. I have two children attending school in the Vacaville Unified School District. Serving in an advisory capacity to the Vacaville Library Board and the Director of Library Services helps keep me involved in my children's education. I am a self-professed 'book-worm' and would love to extend my appreciation for reading and for everything the library does for our community by serving in this position.
