B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

33. PRICING

Should Contractor, at any time during the term of this Contract, provide the same goods or services under similar quantity, terms and conditions to one or more counties in the State of California at prices below those set forth in this Contract, then the parties agree to amend this Contract so that such lower prices shall be extended immediately to County for all future services.

34. USE OF PROVISIONS, TERMS, CONDITIONS AND PRICING BY OTHER PUBLIC AGENCIES

Contractor and County agree that the terms of this Contract may be extended to any other public agency located in the State of California, as provided for in this section. Another public agency wishing to use the provisions, terms, and pricing of this Contract to contract for equipment and services comparable to that described in this Contract shall be responsible for entering into its own contract with Contractor, as well as providing for its own payment provisions, making all payments, and obtaining any certificates of insurance and bonds that may be required. County is not responsible for providing to any other public agency any documentation relating this Contract or its implementation. Any public agency that uses provisions, terms, or pricing of this Contract shall by virtue of doing so be deemed to indemnify and hold harmless County from all claims, demands, or causes of actions of every kind arising directly or indirectly with the use of this Contract. County makes no guarantee of usage by other users of this Contract nor shall the County incur any financial responsibility in connection with any contracts entered into by another public agency. Such other public agency shall accept sole responsibility for placing orders and making payments to Contractor.

35. DISBARMENT OR SUSPENSION OF CONTRACTOR

A. Contractor represents that its officers, directors and employees (i) are not currently excluded, debarred, or otherwise ineligible to participate in a federally funded program; (ii) have not been convicted of a criminal offense related to the provision of federally funded items or services nor has been previously excluded, debarred, or otherwise declared ineligible to participate in any federally funded programs, and (iii) are not, to the best of its knowledge, under investigation or otherwise aware of any circumstances which may result in Contractor being excluded from participation in federally funded programs.

B. For purposes of this Contract, federally funded programs include any federal health program as defined in 42 USC § 1320a-7b(f) (the "Federal Healthcare Programs") or any state healthcare programs.

C. This representation and warranty shall be an ongoing representation and warranty during the term of this Contract and Contractor must immediately notify the County of any change in the status of the representation and warranty set forth in this section.

D. If services pursuant to this Contract involve federally-funded programs, Contractor agrees to provide certification of non-suspension with submission of each invoice. Failure to submit certification with invoices will result in a delay in County processing Contractor's payment.

36. EXECUTION IN COUNTERPARTS

This Contract may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument, it being understood that all parties need not sign the same counterpart. In the event that any signature is delivered by facsimile or electronic transmission (e.g., by e-mail delivery of a ".pdf" format data file), such

signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or electronic signature page were an original signature.

37. LOCAL EMPLOYMENT POLICY

Solano County desires, whenever possible, to hire qualified local residents to work on County projects. A local resident is defined as a person who resides in, or a business that is located in, Solano County. The County encourages an active outreach program on the part of its contractors, consultants and agents. When local projects require subcontractors, Contractor shall solicit proposals for qualified local residents where possible.

38. ENTIRE CONTRACT

This Contract, including any exhibits referenced, constitutes the entire agreement between the parties and there are no inducements, promises, terms, conditions or obligations made or entered into by County or Contractor other than those contained in it.
